DR. CHRISTIE'S

GENUINE

GALVANIC BELTS,

BRACELETS,

GARTERS, NECKLACES,

AND

DR. CHRISTIE'S

MAGNETIC FLUID,

Never have been known to fail in completely curing all diseases of a Nervous character from whatever cause they may originate.

Dr. Christie's Galvanic articles are recommended only for Nervous complaints, but this class comprises a much larger number of diseases than is generally supposed. Among them must be enumerated all cases of

RHEUMATISM.

ACUTE OR CHRONIC, APPLYING TO THE HEAD, FACE, OR LIMBS

Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous and Sick-Headache, Indigestion, Paralysis, Palsy, Fits, Epilepsy, Cramps, Palpitation of the Heart, Apoplexy, Stiffness of the Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pains in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all Nervous Disorders.

DYSPEPSIA,

Which is simply a nervous disarrangement of the digestive organs, must therefore be named in the same class.

In all the above painful and tedious diseases, the Galvanic Rings and Magnetic Fluid have been found **POSITIVELY AND PERMANENTLY SUCCESSFUL.**

Christie's Genuine Galvanic and Magnetic Curatives

Can only be obtained in New York of

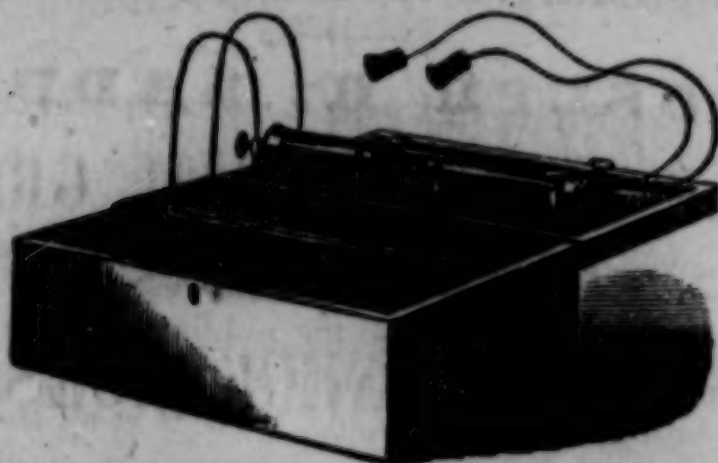

D. C. MOREHEAD, 182 Broadway,

Who is the General Agent for the United States, and to whom all business communications should be addressed.

MOREHEAD'S

IMPROVED

GRADUATED

MAGNETIC MACHINES.

It is now universally admitted by the learned and scientific, that the mysterious power called Galvanism or Magnetism is, in fact, the PRINCIPLE OF VITALITY OR LIFE, and that Disease, in many of its most painful forms, is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply this wondrous power, when it is thus deficient, we can successfully combat disease; and this has been fully and perfectly attained by the present beautiful and scientific instrument.

MOREHEAD'S GRADUATED MAGNETIC MACHINE

Is an important improvement over all other forms of manufacture, and has been adopted by the Medical Profession generally, as being the most perfect, convenient and effectual Magnetic Machine in use. It is exceedingly simple in construction, and therefore not likely to get out of order, as is the case with all other instruments. It admits of the most perfect control, and can be GRADUATED to any power, adapted to the most tender infant, or sufficient for the strongest adult, at the pleasure of the operator. The Magnetic influence is imparted in a continuous manner, and with no unpleasant sensation to the most delicate patient. It requires no assistant in its use, and is in every respect entirely harmless.

MOREHEAD'S MAGNETIC MACHINES

Are used with POSITIVE AND PERMANENT SUCCESS in all cases of Rheumatism, acute or chronic, seated either in the head, joints or limbs; Gout, Tic-Doloureux, Nervous and Sick Headache, Paralysis, Palsy, Fits, Epilepsy, Dyspepsia, Palpitation of the Heart, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Nervous Tremors, General Debility, Deficiency of Nervous and Physical Energy, and ALL Nervous diseases. As a preventive for Apoplexy, the Machine is confidently recommended, and in the most confirmed cases of Scrofula, Dropsy, Erysipelas, Deafness, Curvature of the Spine, and all similar complaints, its effects are equally successful.

Each Machine is compactly arranged with the Battery and all necessary appliances, put up in neat rosewood boxes. Accompanying each is a new Manual, containing full and simple directions for its use and application in the various diseases in which it is recommended. Any person of ordinary intelligence can successfully use this Machine, as everything regarding it is perfectly simple and intelligible.

Every family should possess one of these beautiful instruments. It will always be found a valuable companion, and very often the best physician in time of need. Price of the Machines, complete, \$12 and \$15, according to size and power. They can be readily and safely sent to any part of the world, and each instrument is warranted.

THE GRADUATED MAGNETIC MACHINES

Are manufactured and sold, wholesale and retail, by

D. C. MOREHEAD, M. D., 182 Broadway, N. Y.

N. B.—Orders addressed as above, accompanied with the cash, will be promptly and carefully fulfilled.

DR. TOWNSEND'S SARSAPARILLA.

WONDER AND BLESSING OF THE AGE!
THE MOST EXTRAORDINARY MEDICINE
IN
The World!!!

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best

Spring and Summer Medicines

Ever known: it not only purifies the system, and strengthens the whole person, but it creates new, pure, and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

10,000 Cases of General Debility.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any invigorating cordial, as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular powers, in a most extraordinary degree.

CONSUMPTION CURED.

Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

SPITTING OF BLOOD.

NEW YORK, April 28, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and

my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,

WM. RUSSELL, 65 Catharine st.

RHEUMATISM.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

BLACKWELL'S ISLAND, Sept. 14, 1847.

DR. TOWNSEND—*Dear Sir*: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep, or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours, respectfully,
JAMES CUMMINGS.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the city of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

J. WILSON, M. D.

R. B. BRIGGS, M. D.

Albany, April 1, 1847.

FEMALE MEDICINE.—Dr. Townsend's Sarsaparilla is a speedy cure for Barrenness, Prolapsus Uteri, Leucorrhœa, or Whites, Obstructed Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system, produced either by irregularity, illness, or accident.

TO MOTHERS AND MARRIED LADIES.—This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. It braces the whole system, renews permanently the natural energies, by removing the impurities of the body. It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth, ever discovered. It strengthens both the mother and child.

CAUTION.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisements; they are only worthless imitations, and should be avoided.

TO THE PUBLIC.

The Publishers of the Brooklyn Directory for 1848—9 have the pleasure to inform the public, that their present edition contains **SEVENTY-THREE** pages more than that of last year, and

3,000 ADDITIONAL NAMES.

They allowed for an increase of about **ONE** Thousand names only; and having had the Street Directory, Advertisements, Statistics, Lists of Officers, &c., set up and printed off, for the purpose of expediting the work, previous to the names,—the tremendous increase has compelled them to number the pages from 276, commencing with I. to LVI. They flatter themselves that the work is as perfect as any Directory ever issued in the United States

TO THE PUBLIC.

IN compiling the Brooklyn Directory for 1848—9, the undersigned have spared neither time nor expense in their endeavors to make it more perfect than that of any former year; and they flatter themselves that it is as free from errors as a work of this kind can be made.

It will be seen that there is a large increase in the number of names over last year, which, of course, has caused a corresponding increase of expenditure in collecting and publishing the work; but the publishers have determined to dispose of it to their subscribers at the same price as last year, which will leave them barely a remunerating profit, even should all the edition be disposed of.

The subscribers were among the first to undertake the arduous task of furnishing so necessary a work to our citizens; and for several years did not save themselves from loss. By long experience their facilities for obtaining correct information have largely increased, and now feel certain that they can furnish a more correct work than any person who may undertake to compile one for the first time; even though he may to a certain extent, have the benefit of our long experience. We furnished the work when the undertaking was but a hazardous enterprize, and now that by toil and perseverance we are enabled to furnish as perfect a copy as can be made, and at the low price of \$1 00, we rely upon receiving the support of our citizens.

We commend the Directory to our old subscribers and the public generally, believing it will meet their approbation.

BROOKLYN STREET DIRECTORY,

GUIDE FOR 1848 & 9.

SHOWING THE COMMENCEMENT, POSITION, AND TERMINATION OF EACH STREET, WITH THE JUNCTIONS AND CROSSINGS OF THE INTERSECTING STREETS, ALSO THE NUMBER OF THE HOUSE AT THE CORNER OF EACH OF THE STREETS.

Where there is no house on the corner, or where the corner house fronts on the crossing street, the number of the house nearest the corner is given. It must be observed that in a considerable portion of the streets, the houses are entirely unnumbered. In those streets the Alphabetical Directory directs you to which of the crossing streets the house you are looking for is nearest situated.

For the information of strangers it may be necessary to add, that the odd numbers are invariably on the left hand from the commencement of each street.
